THE NEWSLETTER FOR THE PRIVILEGED

NOVEMBER 2023

FROM THE DESK

Dear Members,

Years have passed quickly and now we are celebrating the 30 years of the Club. Yes, you read it right. It's been 30 years. We really feel proud and blessed when we look back at the journey of these significant and remarkable years. Thanks for being the sojourners.

We take this opportunity to invite you to join us in the celebration of this great accomplishment.

The month of October was abuzz with amazing events as we had Barbeque Food Festival, Karaoke Night and Bathukamma/Navratri Festival.

OCTOBER was also the month of unfolding the success waiting in the wings, marked by inauguration of Glassgo.

Two points to ponder over here. One, it was the occasion for the club management to express their gratitude to the pillars of the last 30 years success; the loyal workforce. The veteran workforce was felicitated on this occasion and the inauguration of the 2 halls (2 floors) had been done by the privileged workforce as a token of appreciation & gratitude. Two, this inauguration of reinvented 'Glassgo' will offer the members to host Social gatherings and Corporate get-togethers.

While the success and true fulfilment of life demands for busy schedules, hustle & bustle of life and long days, Chiraan Fort hereby comes with a measure to keep your taste buds alive - introduction of online food delivery through Swiggy and Zomato platforms.

Welcome to another month of awesome activities, fabulous food and great facilities. Here comes November with its assortment of exciting activities and fabulous surprises.

Looking forward to your presence.

With warm regards,

Management
